11. Click on Export

The screenshot shows the 'Custom Export' dialog box. At the top, the 'Report Name' field is highlighted with a red box and contains the text 'Hbox-EMR-15-04-2026'. Below this, there are four tabs: 'Patient (30)', 'Appointment (4)', 'Clinical Note', and 'Doctor (2)'. Under the 'Appointment (4)' tab, there are two buttons: 'Check All' and 'Uncheck All'. Below these buttons, there are three columns of checkboxes. The first column has 'Practice Official Name' (checked), 'Prescribing Physician's Name' (checked), 'Billing NPI', and 'Rendering Provider NPI'. The second column has 'Practice Tax ID', 'CLIA Number', 'DEA Number', and 'State License Number'. The third column has 'DPS Number' and 'Medicaid Provider Number'. At the bottom left is a 'Close' button, and at the bottom right is an 'Export' button, which is pointed to by a red arrow.

12. You will be notified once the report is ready

The screenshot shows the 'Advanced Report' page in the Hbox-EMR system. A red box highlights a notification message in the top left corner: 'Generating report... When complete, you will see generated report in Message Center.' A red arrow points from this notification to the 'Advanced Report' title. The page has a sidebar on the left with various report categories like 'Outgoing Prescription', 'Patient Insurance Authorization', 'Appointment Report', 'Telehealth Report', 'Patient Report', 'Communication Log Report', 'Medication Report', 'Problem Report', 'Allergy Report', 'Labs Report', 'Advanced Report' (highlighted in green), and 'Patient Payment Plan Report'. The main content area has tabs for 'Appointments', 'Patients', and 'Procedure Code'. Below these tabs are several filter sections: 'Primary Provider' (set to 'All Providers'), 'Created After' (set to '01/01/2025'), 'Default Appointment Profile' (set to 'Primary Office 2'), and 'Created Before' (set to '03/31/2026'). There are also buttons for 'Filter by patient only', 'Archived exam rooms', 'Include', 'Breaks', 'Excluded', 'Show', 'per page', 'Update Filter', and 'Save Filter'. At the bottom, there is a table with columns: 'Date of Service', 'Patient', 'Provider', 'Office', 'Examroom', 'Appt Status', 'Billing Status', 'Insurance Status', and 'Lock Status'. The table shows 1 - 50 OF 34,838 results.

13. Wait for 2 to 5 Mins Then Click on Messages Icon. Then you will see the new message with out given report name will be present. Click on Download icon against our report, the excel sheet will be downloaded.

The screenshot shows the DrChrono web application interface. The top navigation bar includes a 'Messages' icon (envelope with a checkmark) which is highlighted with a red box. Below the navigation bar, the 'Incoming Messages' section is visible. A table lists incoming messages. The first message is highlighted with a red box and has a red arrow pointing to the download icon in its row. The second message also has a red arrow pointing to its download icon.

Medication Report download

1. Navigate to Reports > Medication Report in header menu.

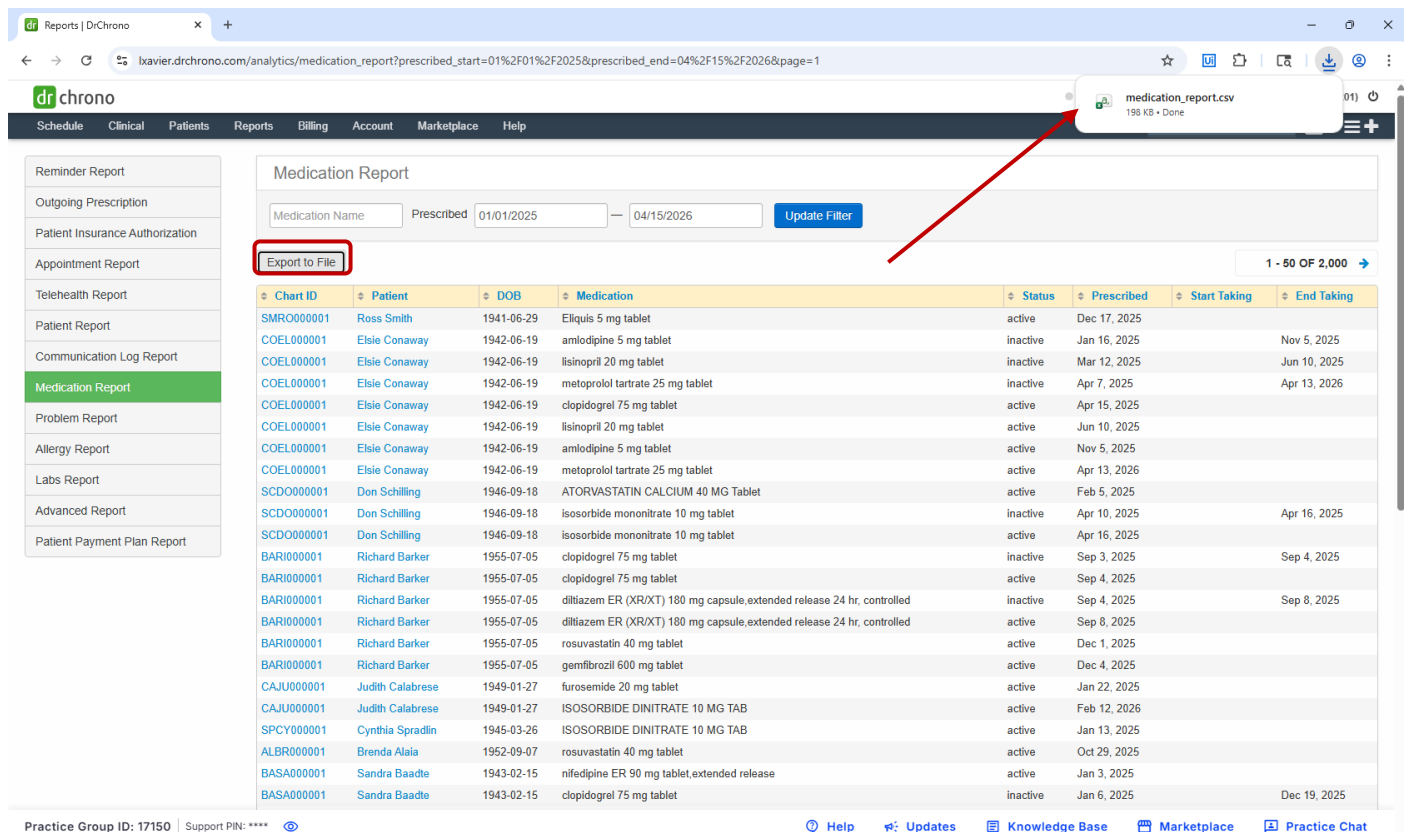

2. Give the One year time period from prescribed fields and click on Update Filter

The screenshot shows the DrChrono web application interface. On the left is a sidebar menu with various report types, including 'Medication Report' which is highlighted in green. The main area is titled 'Medication Report'. It features a search bar for 'Medication Name' and a date range selector for 'Prescribed' dates, currently set to '01/01/2025' to '04/15/2026'. An 'Update Filter' button is located to the right of the date range. Below the date range is an 'Export to File' button. A table header is visible with columns: Chart ID, Patient, DOB, Medication, Status, Prescribed, Start Taking, and End Taking. A red arrow points from the 'Update Filter' button towards the bottom right of the screen.

3. Click on Export to File Then the medication report will be downloaded as csv file

The screenshot shows the DrChrono web application interface with the 'Medication Report' displayed. The 'Prescribed' date range is still '01/01/2025' to '04/15/2026'. The 'Export to File' button is now highlighted with a red box. A red arrow points from this button to a download notification in the top right corner of the browser window, which reads 'medication_report.csv 198 KB • Done'. Below the 'Export to File' button, a table of medication data is visible. The table has columns: Chart ID, Patient, DOB, Medication, Status, Prescribed, Start Taking, and End Taking. The table contains 20 rows of data for various patients and their medications.

Problem Report Download

1. Navigate to Reports > Problem Report in the Header menu.

The screenshot shows the DrChrono web application interface. The top navigation bar includes 'Schedule', 'Clinical', 'Patients', 'Reports', 'Billing', 'Account', 'Marketplace', and 'Help'. The 'Reports' menu is open, displaying a list of report types: 'PRACTICE REPORTS', 'Reminder Report', 'Outgoing Prescriptions', 'Patient Insurance Authorization', 'Appointment Report', 'Telehealth Report', 'Patient Report', 'Communication Log Report', 'Medication Report', 'Problem Report' (highlighted with a red box and an arrow), 'Allergy Report', 'Advanced Report', and 'Patient Payment Plan Report'. The main area shows a calendar for April 2026, with a red box highlighting the 'Problem Report' option in the left sidebar.

2. Enter 7 years of time in diagnosed date from and to date and click on update filter as shown below (Note, longer the duration proper diagnosis will be identified, otherwise non cardiology diagnosis only present), then click on Export to File

The screenshot shows the 'Problem Report' page in DrChrono. The 'Diagnosed' filter is set to '01/01/2019' to '04/15/2026', with an 'Update Filter' button highlighted by a red arrow. The 'Export to File' button is also visible. The table below lists the results, showing columns for Chart ID, Patient, DOB, Problem, ICD-10-CM, SNOMED, Status, Diagnosed, and Changed.
