MCA EMR Reports RAW File download

1. Connect to MCA RDP

Patients With Visits by Insurance (Insurance Data, Last Visited, Provider Data)

4. Navigate to Reports > Reports

The screenshot shows the Midwest Cardiology Associates software interface. The left sidebar contains a 'MAIN MENU' with various options. The 'Reports' option is highlighted with a red box and a red arrow pointing to it. The main content area displays two 'Appointment Queue' panels and a 'Messages' panel. The 'Appointment Queue' panels show filters for date, room, appointment status, and appointment type, along with an 'Appointment Detail Display' section with checkboxes for various attributes. The 'Messages' panel shows a search filter and a message stating 'There are no messages to display'.

5. Navigate to Reports > Reports > Clinical Quality

The screenshot shows the Midwest Cardiology Associates software interface with the 'Reports' tab selected. The 'Clinical Quality' report is displayed, showing a list of filter attributes including Visit Dates, Providers, Provider Option, Financial Centers, Service Sites, Insurance Payers, Insurance Plans, Insurance Option, Patient Conditions, and Patient Statuses. The 'Clinical Quality' option in the left sidebar is highlighted with a red box and a red arrow pointing to it. The main content area displays the 'Patients With Visits By Insurance' report with a 'Filter: Unsaved' status.

6. Navigate to Reports > Reports > Clinical Quality > Patient With Visits By Insurance

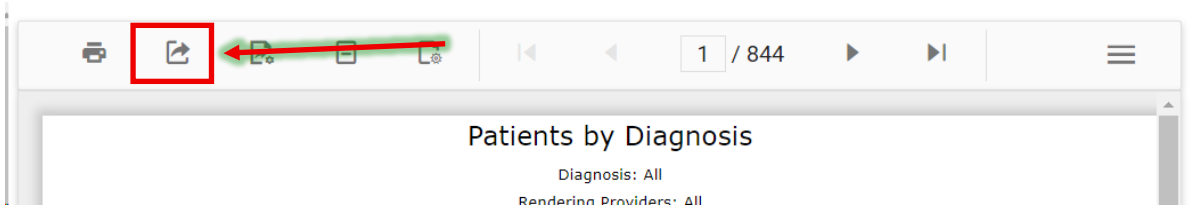

The screenshot shows the 'Midwest Cardiology Associates - Subramanya, Sandeep' interface. The left sidebar contains a menu with 'Midwest Cardiology' at the top, followed by various reports. The 'Patients With Visits By Insurance' report is highlighted with a red box. A red arrow points from this menu item to the 'View' button in the top right corner of the report header. The main content area displays the 'Filter Attributes' section for the 'Patients With Visits By Insurance' report, which includes fields for Visit Dates, Clinical Quality, Provider Option, Financial Centers, Service Sites, Insurance Payers, Insurance Option, Patient Conditions, and Patient Statuses. The 'Filter' status is shown as 'Unsaved'.

7. Apply the filter as shown in picture (Visit dates past 1 year)

The screenshot shows the 'Patients With Visits By Insurance' report with the 'View' button highlighted by a red box and a red arrow. The 'Filter Attributes' section is visible, with the 'Visit Dates' field set to '1/1/2025 - 3/26/2026', highlighted by a red box and a red arrow. The 'Providers' field is also highlighted by a red box and a red arrow. The 'Provider Option' section shows 'Billing Provider' selected. The 'Insurance Option' section shows 'Insurance Payer' selected. The 'Patient Conditions' and 'Patient Statuses' fields are empty. The 'Patient Programs' and 'Group By' fields are also empty. The 'Exclude Inactive Patients' and 'Exclude Deceased Patients' checkboxes are checked. The 'Report Format' section shows 'Details' selected.

8. Reports will be opened in new tab

Patients by Diagnosis

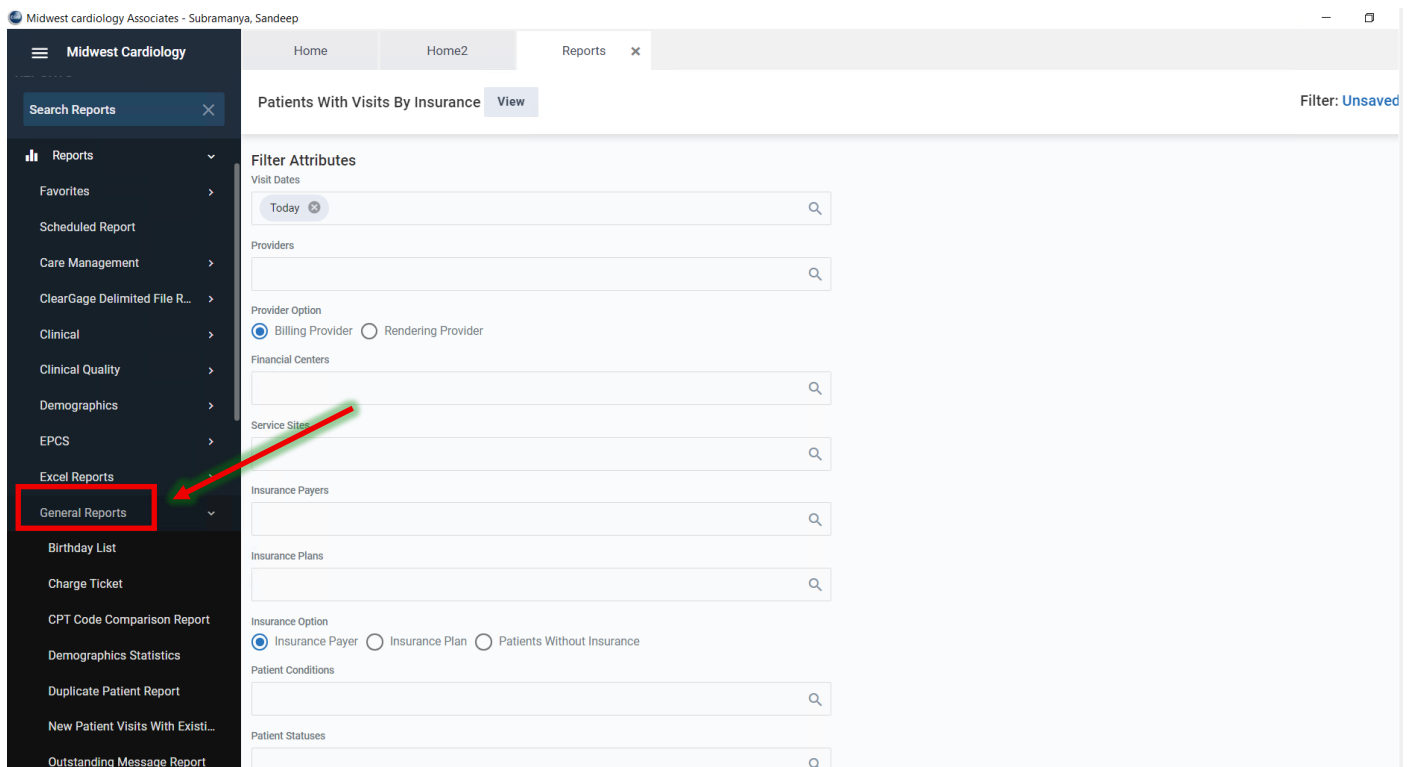

9. Click export button and export as excel

Patients by Diagnosis

Patients By Insurance (Insurance Detailed)

10. Navigate to Reports > Reports > General Reports

11. Navigate to Reports > Reports > General Reports > Patients By Insurance

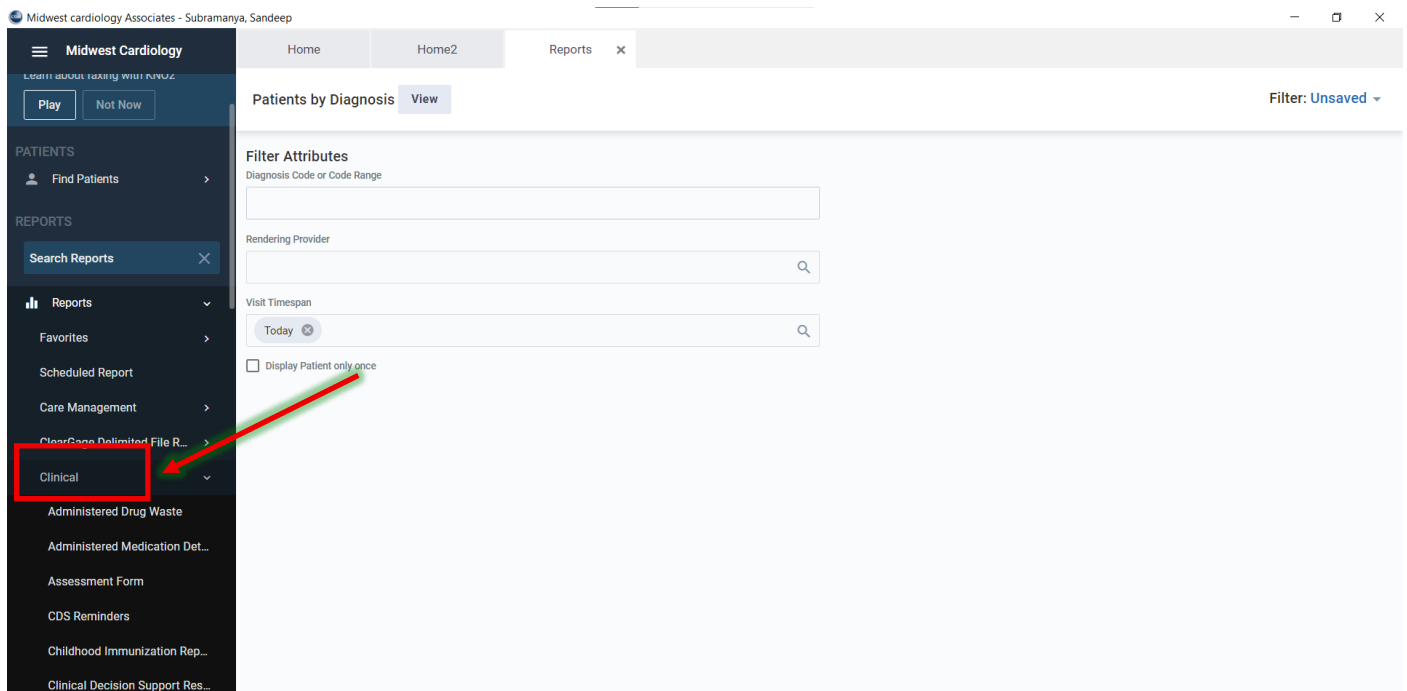

The screenshot shows the 'Midwest Cardiology Associates - Subramanya, Sandeep' web application. The left sidebar contains a menu with 'Patients by Insurance' highlighted in a red box. A red arrow points from this menu item to the 'Patients by Insurance' section in the main content area. The main content area has a header with 'Home', 'Home2', and 'Reports' tabs. Below the header, there's a 'Patients by Insurance' section with a 'View' button. The 'Filter Attributes' section includes options for 'Insurance Option' (Insurance Payer, Insurance Payer/Plan), 'Insurance Payers', 'General Reports', 'Account Option' (Main Account, All Accounts), 'Effective Date Range' (Today), 'Patient Statuses', 'Patient Programs', 'Exclude Inactive Patients', 'Exclude Deceased Patients', 'Sort By ZIP Code', and 'Report Format' (Report, Labels, Excel).

12. Apply the filter as shown below, (all accounts, Effective Date Range – past 1 year, exclude, inactive, exclude deceased patients**** (This is important filter)) and click on view, then the report will open in new tab, export the report as excel

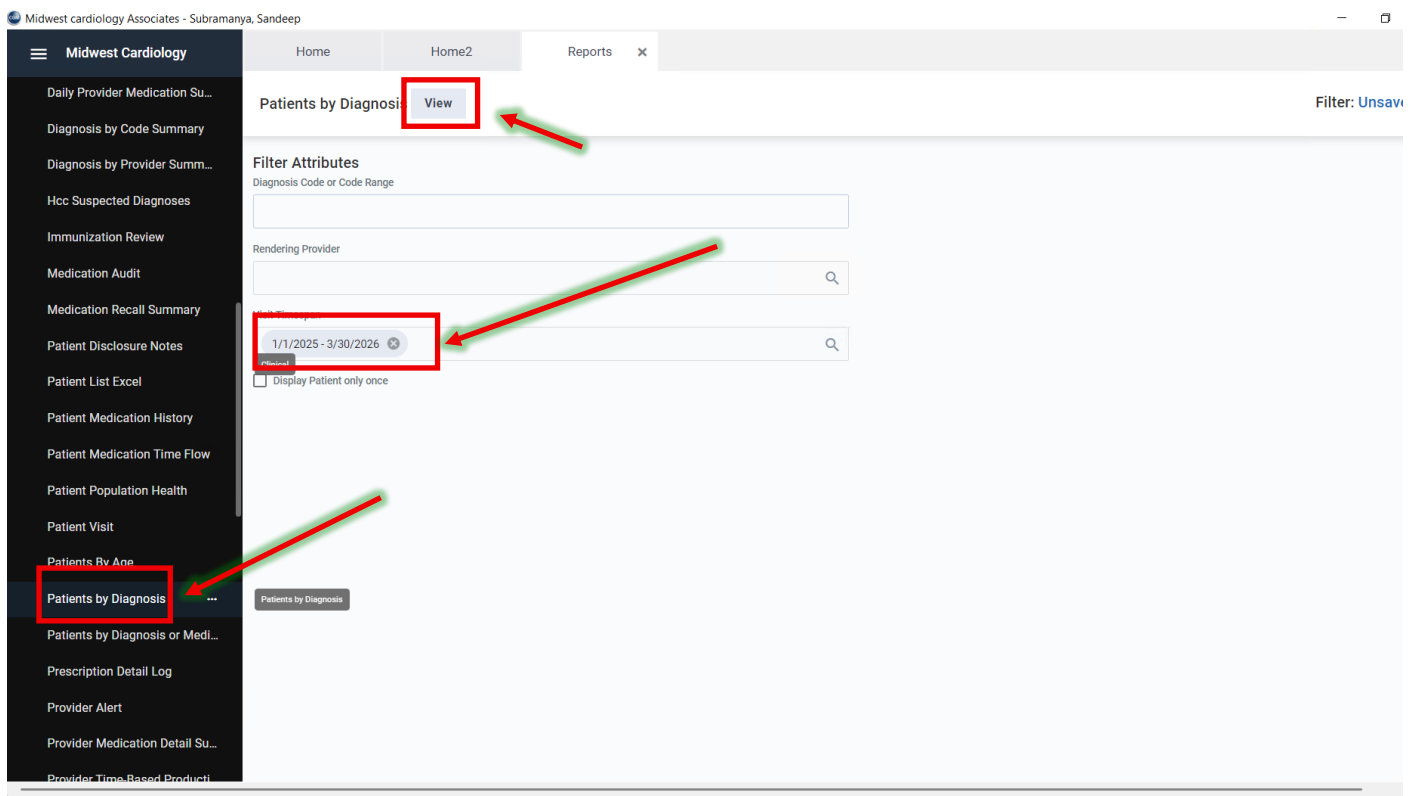

The screenshot shows the 'Patients by Insurance' filter attributes section. The 'View' button is highlighted in a red box. The 'Filter Attributes' section includes options for 'Insurance Option' (Insurance Payer, Insurance Payer/Plan), 'Insurance Payers', 'Insurance Plans', 'Account Option' (Main Account, All Accounts), 'Effective Date Range' (1/1/2025 - 3/26/2026), 'Patient Statuses', 'Patient Conditions', 'Patient Programs', 'Exclude Inactive Patients', 'Exclude Deceased Patients', 'Sort By ZIP Code', 'Show Summary Only', and 'Report Format' (Report, Labels, Excel). Red arrows point to the 'View' button, the 'Effective Date Range' filter, and the 'Exclude Inactive Patients' and 'Exclude Deceased Patients' checkboxes.
